

When disasters and emergencies happen, the Emergency Animal Response Team will assist the community by:

- Rescue of abandoned or stranded animals
- Setup of temporary animal relief shelters.
- Evacuation of animals.
- Transportation of animals.
- Coordination of veterinary care for sick or injured animals.
- Coordination of animal food and supplies.
- Implementation of a record keeping and identification system.
- Lost animal documentation.
- Reuniting animals with caregivers.
- Facilitating fostering and or/adoption of unclaimed or surrendered animals.
- Maintenance of animals sheltered in place.

EART is 100% volunteer based and 100% of our funding comes from donations and fundraising.

Mission Statement

To provide services for domestic animals in the event of emergencies and disasters.

To train volunteers to provide rescue and emergency shelter for domestic animals when responding during emergencies and disasters.

To raise funds for supplies, medical treatment for animals, training costs and expenses incurred by volunteers during emergencies and disasters.

EART works to create awareness through public education and awareness to the needs of animals and their guardians in preventative measures and in disasters and emergencies.

We encourage cooperation with disaster relief agencies, government organizations, emergency responders and other animal protection organizations.
